Frequently Asked Questions

- **What should the children wear?**

We do provide smocks, but we strongly suggest the children wear clothing that is appropriate to paint in. We use acrylic paint to produce the best quality artwork, so it is not washable.

- **Can the guests drop their kids off?**

Yes, but children must be supervised by an adult at all times.

- **What if my child has a food allergy?**

If there is a food allergy, the food must be ordered separately by the guest/parent. Please let us know so we are aware.

- **Do I need to know the headcount at booking?**

No, we will reach out the week prior to your scheduled party to confirm a final headcount!

- **What food is not included in the package?**

We do not provide dessert (cupcakes, cake, etc.) or water for the children.

Frequently Asked Questions

- **What food is available for adults?**

We are happy to order pizza and for the adults. The cost is dependent on the amount ordered, and will be added to the party total.

- **Can I bring extra decorations?**

Balloons are permitted, but we cannot hang anything on the walls. We provide the children's plates and napkins, but you are welcome to bring themed plates.

- **Do I need to help set up?**

Nope! Our party-hosts will ensure that the space is set up for you and your guests so you can sit back and enjoy. You are advised to arrive 15 minutes before your scheduled party if there are any extra things you want set up.

- **Is gratuity included in the price?**

No, but there is an automatic 18% that will be added to the bill for gratuity and service at the end of the party and can be paid with the balance of the party bill through Venmo, credit card or cash to our party hosts.
